Subject: Introductory Letter

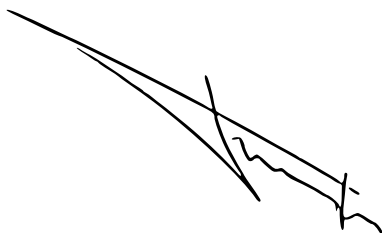

To Whom It May Concern:

The intent of this letter is to introduce Sterrenstof, a web development project founded by Tom Coysman in April 2020. We provide modern and elegant solutions to companies and entrepreneurs that wish to represent themselves online in a unique way. We provide our clients with tailor-made services that set them apart from their competition, thus creating extra value to their organizations. Sterrenstof has in its young existence already worked with clients on dynamic and static webpages, backend applications, game development and even e-commerce. We are specialized in full stack development, UI/UX design, and marketing. We also provide general monitoring and maintenance, so that your application might always be up to date in the ever-changing landscape of the digital world. Lastly, we are always standby to attend to your needs.

Please have a look at the projects on the sterrenstof main page for more further information about our previous projects and general capability. For any inquiries and needs, please feel free to contact us at +491774068093 or through coysmantom@hotmail.com. Thank you for your time and consideration. We are looking forward to hearing from you soon.

Sincerely,

Tom Coysman
Founder
Sterrenstof GmbH
